

jungla

LODGE
• CAST IRON •
AMERICAN MADE SINCE 1896

TO LIGHT THE SIDE BURNER:
1. Push and turn the Side Burner knob slowly to MAX. The burner should be lit immediately.
2. If burner does not light up, turn the knob off and repeat lighting procedure.
3. If burner does not light up after step 2, wait 5 minutes, turn the knob off, and repeat lighting procedure above or light by match.
